CLEAN SPORT ANNUAL REVIEW 2026

Review period	2026 - initial/baseline review	**Prepared**	1 October 2026
Contact	cleansport@tkdngb.co.uk	**Clean Sport Lead**	Position currently vacant
Next review	By 30 September 2027	**Framework status**	Implemented from 1 October 2026

1. Overview

2026 is the foundation year for TCUK's formal Clean Sport arrangements. TCUK has introduced a Clean Sport & Anti-Doping Policy, a proportionate Education & Implementation Plan and a dedicated contact route. The Clean Sport Lead position has not yet been filled; until an appointment is made, oversight will remain with the TCUK Board/CEO.

2. Actions completed in 2026

- Clean Sport & Anti-Doping Policy introduced with effect from 1 October 2026.
- Dedicated Clean Sport email established: cleansport@tkdngb.co.uk.
- One-page Clean Sport Education & Implementation Plan created for 2026-27.
- Core UKAD/WADA resources identified for member signposting, including the UK Anti-Doping Rules, Prohibited List, Global DRO, Informed Sport, TUE guidance and confidential reporting.
- Annual Clean Sport communication and competition-entry wording included within the implementation plan.
- Annual monitoring and review arrangements established.

3. 2026 review against plan

Area	2026 position	Status
Policy & governance	Policy and implementation plan established; annual review cycle set.	Completed
Member information	UKAD/WADA signposting framework prepared for publication/communications.	In place
Education	Proportionate approach based on information, signposting and annual communications.	In place
Competition communication	Anti-doping wording to be used in relevant TCUK competition information.	Planned / ongoing
Reporting route	TCUK contact email and UKAD external reporting route identified.	Completed
Clean Sport Lead	Dedicated position not yet filled; interim oversight remains with Board/CEO.	Vacant

4. Concerns, incidents and referrals

No confirmed 2026 anti-doping case information has been provided for inclusion in this review. Any concerns or referrals arising before year-end should be recorded through the appropriate confidential route.

5. Priorities for 2027

- Appoint/designate a TCUK Clean Sport Lead.
- Publish and maintain the Clean Sport policy and key resources on the TCUK website.
- Issue the annual Clean Sport / Prohibited List update to members.
- Use the agreed Clean Sport statement in relevant competition information.
- Retain simple evidence of communications, signposting and any referrals.
- Review the policy and implementation plan by 30 September 2027.

Overall position: TCUK has established a proportionate Clean Sport framework for 2026. The next phase is routine implementation, evidence retention and appointment of the Clean Sport Lead.
