CLEAN SPORT EDUCATION & IMPLEMENTATION PLAN 2026–27

Version	1.0	Effective	1 October 2026
Owner	TCUK	Contact	cleansport@tkdngb.co.uk

Purpose

This plan supports the TCUK Clean Sport & Anti-Doping Policy with proportionate, practical actions. TCUK does not operate an Olympic high-performance programme, so its focus is awareness, signposting, competition communication, reporting routes and annual review.

What TCUK will do

Action	Timing	Evidence
Publish the Clean Sport & Anti-Doping Policy and current UKAD/WADA links.	From Oct 2026; keep current	Website / policy
Issue a simple annual Clean Sport update covering the current Prohibited List, strict liability, medication and supplement checks.	Each January	Member communication
Include a Clean Sport / anti-doping statement in relevant TCUK competition entry information.	At TCUK-sanctioned competitions	Entry form / event pack
Signpost members to UKAD education, Global DRO, Informed Sport and TUE guidance.	Ongoing	Website / emails
Provide extra information where an athlete enters an event/pathway with additional anti-doping requirements.	As required	Targeted communication
Record and appropriately refer anti-doping concerns to UKAD or the relevant authority.	As required	Confidential record
Review Clean Sport activity and report any material issues or actions to the Board.	Annually	Annual review / Board minute

Minimum information we will promote

UK Anti-Doping Rules; WADA Prohibited List; strict liability; Global DRO medication checks; supplement risk / Informed Sport; Therapeutic Use Exemptions (TUEs); testing; Anti-Doping Rule Violations; and confidential reporting.

Review

Until a Clean Sport Lead is appointed, the TCUK Board/CEO will ensure a simple annual record is kept of communications, competition actions and any significant concerns/referrals. This plan will be reviewed by 30 September 2027, or earlier if UKAD/WADA requirements or TCUK activities change.
