| **Version** | 1.0 |
| **Effective date** | 1 October 2026 |
| **Document owner** | Taekwondo Council United Kingdom |
| **Contact** | cleansport@tkdngb.co.uk |

### Purpose

The following wording is the standard TCUK Clean Sport and anti-doping statement for inclusion, where relevant, in TCUK competition entry forms, event information and competitor communications.

### Clean Sport & Anti-Doping

By entering this competition, competitors agree to comply with the TCUK Clean Sport & Anti-Doping Policy and any anti-doping rules that are applicable to them or the event.

Competitors are responsible for ensuring that any medication, supplement or substance they use is permitted. Competitors are reminded that the principle of strict liability may apply under anti-doping rules.

Competitors, coaches and parents/guardians are encouraged to check current guidance through UK Anti-Doping (UKAD), including Global DRO for medication checks, and to seek appropriate advice before competing where required.

Any Clean Sport or anti-doping concern may be raised confidentially with TCUK at cleansport@tkdngb.co.uk or reported directly to UKAD through its Protect Your Sport reporting service:

https://www.ukad.org.uk/violations/protect-your-sport/signs-doping-and-how-report

### Use

This wording may be used in full or adapted for space on an entry form, provided the core requirements remain: reference to the TCUK policy, competitor responsibility, appropriate UKAD signposting and the TCUK/UKAD reporting routes.
